

Spontaneous Log Cabin

Arapahoe County Quilters Virtual Class
Saturday, January 14, 2023
1 – 4 p.m. (MST)

1. The Zoom link/information plus the class pattern will be emailed to Linda Starkey 3 days before the class, and she will email you this information.
2. Each virtual classroom seat is good for ONE viewer (students may not “sit in” if they have not paid their own fee for classes). Each student must be able to be seen and heard (unless muted).
3. Michele will open the Zoom room 30 minutes ahead of the class. It is strongly recommended that students log in 15 – 30 minutes early to test their connectivity/audio/camera as the workshop will start on time. Michele is not responsible for the quality of their internet devices (computer, iPad, phone), internet quality and, connectivity issues.
4. No audio and/or video recording or photographs are permitted of any kind during the class. Michele and Flower Box Quilts retain all the rights and ownership of any and all recordings, photographs, and contents of virtual classes and the class pattern.

Let's have FUN with scraps! This is a stress-free way of creating a FABULOUS scrappy log cabin block (12" or 15" finished square) in a non-traditional way. Create your squares from the same color family OR in lights/mediums/darks. In the class Michele will discuss how to make 7 different quilt sizes with this block.

Skill Level: Beginner to Advanced

Finished block size: 12" x 12" or 15" x 15"

This is a 3 - hour technique class; and the pattern includes directions to make 7 different quilt sizes plus adapting the quilt size to fit *your* bed!

Materials List

> 60 assorted scraps and strips (combination of 2" - 4" squares, and 1 1/2" - 3" wide strips x 14" long (various colors, textures, prints) – the more the merrier!

* You can bring more squares/strips if desired. I am planning on having you complete 3 - 4 blocks.

- > One spool of 100% cotton thread - neutral color (medium grey or ecru)
- > Rotary cutter (with a new blade)
- > Acrylic rulers - (a small one like 1" x 6"; and 5" or 6" square); and (a large one - 4" x 14" perhaps - whatever size you have)
- > Cutting mat
- > Basic sewing supplies
- > Sewing machine in good working order – new needle – don't forget the power cord and foot pedal
